94 Male Road, Caboolture

This is a rare opportunity to secure two beautiful homes on 2.15HA.

You will fall in love with the country feel of these beauties that embrace a sprawling rear yard.

The interiors are spacious and comfortable, with heritage touches like timber flooring.

There is a wheelchair-friendly ramp at the front entrance with extra-wide decking. The ramp continues around the right side of the front home to the rear and then across to the second home. You will certainly enjoy watching the sun fall away and the breezes that come with this great layout.

Close enough! But far enough to enjoy your privacy from each home.

A large party area, complete with an outdoor spa, is between the two homes on the deck.

Established fruit trees and veggie gardens.

Please note that this property is on tank water; it has three tanks and a bore.
