If you want to retire to a residence that doesn't have too much work involved, this could be it!

**Mark Stevenson**

**M 0423 478 044**

The residence itself is an American Barn that is fully air-conditioned, has ceiling fans through-out and includes a master lift stair climber to take you upstairs to the main bedroom if you don't want to walk. There is also a second bedroom plus a sleep out/office area in the lower section. The home is totally security screened and has security lighting to the external areas of the building plus a 2KW solar power system to help cut down on your elec.....
